2 **MR. PATRICK KING:** Trudeau, someone's going to
3 make you catch a bullet one day.

4 To the rest of this government, someone is
5 fucking going to do you in. You sons of bitches.

6 The only way that -- and I'm going to say it out
7 loud. The only way that this is going to be solved is with
8 bullets. And yeah, I said it. It's the only way something's
9 going to happen. A massive revolution on a huge scale.

10 You might want to change your name to Ishmael or
11 drop a bunch of chains down the stairs and call yourselves
12 "Chong Ching Ching Chang."

13 Now, you want to say the Indian culture and
14 everything. The Natives' culture is a disgrace. It is, 100
15 percent. Every person who was born here in Canada, in North
16 America, you are Indigenous. People don't realize that. If you
17 were born of the land, you are Indigenous of the land.

18 It's called depopulation of the Caucasian race or
19 the Anglo-Saxon. And that's what the goal is, is to depopulate
20 the Anglo-Saxon race because they are the ones with the
21 strongest bloodlines. They are the ones with the strongest
22 bloodlines. They are the ones with the strongest bloodlines.
23 And we'll leave it at that because then we get into a whole
24 different topic.

25 But now this year, this year alone, I think I'm
26 going to have a big gathering at my house, just for that. And
27 I'm going to film it. You're right, cops will get shot.
